

Household Income

Powhatan County, Virginia

Median Household Income, per Census Block Group

Map Explanation:

This map displays the median household income by Census Block Group for the counties and cities in the Greater Richmond, VA Area. Median is a statistical measure that is similar to an average, but more reliable since it isn't swayed by outlier values. A household is defined by the U.S. Census as all the people who occupy a housing unit. The data are from the 2016 American Community Survey 5-year Estimates. The 2016 median for Powhatan County is roughly \$77,000.
